Feluy, 19/03/2024

**To whom it may concern**

**Ordonnance du DFI sur les matériaux et objets destinés à entrer en contact avec les denrées alimentaires – Modification du 8 décembre**

We inform you that the Modification of 8 December 2023 amending SR 817.023.21 on materials and articles intended to come into contact with food was published in the *RO 2023* and entered into force the First of February 2024.

The Certificates confirming compliance with the SR 817.023.21 of 16 December 2016 (Etat le 1er Février 2024) as amended will be published on our website as soon as possible. In the meantime, we inform you that all Polymer Grades as manufactured in Europe and in Qatar which are already compliant with the SR 817.023.21 of 16 December 2016 (Etat le 15 October 2022) are compliant with the relevant requirements laid down in the SR 817.023.21 of 16 December 2016 (Etat le 1er Février 2024). You may find some relevant information related to this new legislation in our Declaration of Compliance under the Regulation EU No 10/2011.

We inform you that the materials which are not compliant with the requirement of the Modification of 8 December 2023 may still be imported, manufactured and labelled under the old regulation until the 31 January 2025, and may be distributed to the consumers until stock exhaustion.

Our letter does not cover :

- any modification of The Product by any addition of any other product to it,
- any prejudicial modification of The Product resulting from a processing of The Product,
- an inadequate use and/or storage of The Product and of the finished articles.

The present letter is valid as long as no new DoC is issued, starting from the first date written above.

We are at your disposal for any further information you may need and remain,

Yours faithfully,  
TotalEnergies OneTech Belgium
